IRAQ

Total population in 1995: 20 607 000
Number of physicians per 100 000 population (1993): 51
Number of medical schools: 10
Duration of basic medical degree course, including practical training: 6 years
Title of degree awarded: Bachelor of Medicine and Bachelor of Surgery (MB, ChB); Bachelor of Science in Medicine and General Surgery (BSc)
Medical registration/licence to practise: Registration is obligatory with the Iraqi Medical Association, Al Maarri Street, PO Box 6282, Al Mansour City, Baghdad. The licence to practise medicine is granted to holders of a Bachelor of Science in Medicine and General Surgery from a recognized

medical school in the country. Graduates must have completed a 2-year internship, 1 year of rural service and national service. Those who have qualified abroad must have their degree validated by the Ministry of Higher Education and Scientific Research. Foreigners may practise if they hold a contract with a government agency or if a reciprocal agreement exists between their country and Iraq.

Work in government service after graduation: Obligatory for nationals (25 years)
